STIPULATION RE: CASE MANAGEMENT
CONFERENCE STATEMENT

DATE: November 20, 2009

TIME: 1:30 PM

18 Since the last stipulation filed with the Court, the
19 Defendants have provided additional environmental data regarding
20 the remediation of the site. However, the final report has not
21 been completed or received by the Plaintiffs as of November 13,
22 2009. Counsel for Defendants have represented that the final
23 report should be made available by November 20, 2009. Parties
24 are still discussing the Defendants requested extension to
25

Stipulation

1 finalize the report. Based on the fact that the report has not
2 been finalized, Plaintiffs' have not attempted to continue their
3 discussions related to settling out the remaining parties.
4 However, once the final report has been received, Plaintiffs'
5 will attempt to finalize a settlement with the remaining
6 parties.

7 All parties agree, stipulate and request a continuance of
8 the case management conference on this matter from November 20,
9 2009 to January 22, 2009. An updated case management conference
10 statement will now be due on January 15, 2009.

11 Therefore, we respectfully request that the court continue
12 the management conference scheduled for November 20, 2009 to
13 January 22, 2009. At which point the parties hope to inform the
14 court that remediation efforts have been completed and that
15 plaintiff has finalized its negotiations with the insurance
16 company.
